Values

We want our customers to perceive us as close at hand and capable. This means being close to our customers through personal contact, taking the initiative to meet the customer with the best advice and products, and being an active mainstay of the region. 'Capable' means offering a broad product range that is right for the times, and employing staff with solid professional competence and first rate skills. We aim to maintain a high ethical standard in everything we do, and want our customers to feel that their needs for financial advice and services are met in a professional manner. Our values of being close at hand and capable are our guiding principle, qualities we strive for every single day. They help us to achieve our goals and to make the right priorities.
