

## Note 14 - Financial instruments and offsetting

In the financial statement the group has no financial instruments that are entered on a net basis.

SpareBank 1 SMN enters into standardised and mainly bilateral ISDA agreements on netting of derivatives with financial institutions as counterparties. Additionally the Bank has entered into supplementary agreements on provision of collateral (CSA) with the most central counterparties. As of 31 December 2016 the Bank has about 25 active ISDA agreements. As from 1 March 2017 was required under EMIR to have in place a CSA with daily exchange of margin collateral etc. with all financial counterparties with which the bank deals domiciled (inter alia) in an EU meber state. The Bank only enters into agreements with cash as collateral. The Bank has delegated responsibility for handling these agreements to SEB Prime Collateral Services which handles margin requirements on behalf of the Bank. More about collateral and encumbrances in note 37 Other debt and liabilities.
